The Entomology and Nematology Department presents the sixth in the Spring 2016 Seminar Series, titled:

“Animal welfare, the organic food movement, and the future of poultry pest control”

By

Brad Mullens

Professor of Entomology,
University of California

Friday, February 12th, 2016
10:30 am

UF Entomology and Nematology Department, Rm. 1031
Steinmetz Hall

Seminars are available via bridged videoconference for those at remote sites. Dial 7832070 between 10:15 and 10:30 when the seminar begins. Any sooner and the conference will not have begun; any later and you risk disturbing the ongoing seminar.

Please note that this number changes each term.

As a courtesy, please keep your microphones muted except when wishing to speak.
For meetings with the seminar speaker or related questions, please contact Dr. Jiri Hulcr, hulcr@ufl.edu.
