Beekeeping Certificate – Program of Study

Name:_____ Date:_____

Major:_____

Minor(s):_____

Other Certificates:_____

Unique Credits

Each certificate awarded to a student must include *at least* nine credits that are unique to that certificate and are not applied toward any other certificate, minor, or major earned by the student. All courses required for the certificate must be completed with a minimum grade of C.

If you intend to count a course as a unique certificate requirement, but your degree audit is also applying that course toward a requirement in your major, please contact distance.ed@ifas.ufl.edu. An advisor will need to manually adjust your degree audit so the course is no longer applied toward the major requirement. You will then need to complete another course that does not apply to the certificate to fulfill the major requirement

Example: ENY4574 – Beekeeping II may be used as an approved elective in your major, but it is not required to fulfill that requirement. If you want ENY4574 to count as a unique certificate course, you will need to complete another 3-credit approved elective for your major. An advisor will also need to update your degree audit so ENY4574 is applied only to the certificate.

Sample:

Course Number & Name	Credit	Semester Enrolled	Grade	Unique or Used Multiple Times?	Also Used For?
ENY4571 – Honey Bee Biology	*3*	*Fall 2026*	*A*	*☐ Unique ☑ Used Multiple Times*	*Major – Insect Behavior Course*
ENY4573 – Beekeeping I	*3*	*Fall 2025*	*A-*	*☑ Unique ☐ Used Multiple Times*	*N/A*
ENY4574 – Beekeeping II	*3*	*Spring 2026*	*A*	*☑ Unique ☐ Used Multiple Times*	*N/A*
Elective 1: ENY2041C – Practical Beekeeping	*3*	*Summer 2027*		*☑ Unique ☐ Used Multiple Times*	*N/A*
Elective 2: ENY3005 – Principles of Entomology	*3*	*Summer 2027*		*☐ Unique ☑ Used Multiple Times*	*Major – Principles of ENY requirement*

Complete the below table and submit to the Certificate Hub for approval.

Course Number & Name	Credit	Semester Enrolled	Grade	Unique or Used Multiple Times?	Also Used For?
ENY4571 – Honey Bee Biology	3			☐ Unique ☐Used Multiple Times	
ENY4573 – Beekeeping I	3			☐ Unique ☐Used Multiple Times	
ENY4574 – Beekeeping II	3			☐ Unique ☐Used Multiple Times	
Elective 1:	3			☐ Unique ☐Used Multiple Times	
Elective 2:	3			☐ Unique ☐Used Multiple Times	

Unique Credits between Beekeeping Certificate, major, & minors/other certificates: _____ / 9 required

Approved Beekeeping Certificate Electives:

Course Number	Name	Credits
ALS 3153	Agricultural Ecology	3
